Everybody Knows Jason

Alyssa Bernal

Na na na na na na
Na na na na na (x3)I wrote another letter for Jason yesterday
He hasnt replied yet but really thats ok
He tends to be quite busy on Tuesdays
And on Wednesdays
But Im going to call him on Thursday
My friends call me aggressive
They tell me I need help
I dont know what theyre talking about
I feel swell
Im so in love with Jason
And hes so in love with me
He just doesnt know it yet you seeCause everybody knows Jason
And everybody knows me
They say that I should leave him alone, let him be
And everybody says Jason really doesnt care
Well maybe if I lose some weight or change my hairNa na na na na na
Na na na na na (x3)They say hes in a meeting
I know that thats a lie
They say theyre gonna call the police
And I dont know why
But I know my sweet Jason hes really quite fragile
But I cant protect him from the crazy world outsideCause everybody knows Jason
And everybody knows me
They say that I should leave him alone, let him be
And everybody says Jason really doesnt care
Well maybe if I lose some weight or change my hairWell I send him lots of flowers
With confessions of my love
He claims hes got a girl
I dont know what hes speaking of
My Jason is a cutie, but he gets a bit confused
But I love him, and hes perfect for meCause everybody knows Jason
And everybody knows me
They say that I should leave him alone, let him be
And everybody says Jason really doesnt care
Well maybe if I lose some weight or change my hairEverybody knows Jason
And everybody knows me
They say that I should leave him alone, let him be
And everybody says Jason really doesnt care

Well maybe if I lose some weight or change my hairNa na na na na na
Na na na na na (x3)
