

Drummer Boy

Alesha Dixon

Ho!
I think I need a better drummer
Say what?
I said, I think I need a better drummer
Ho! I need a drummer boy
A better drummer boy, hey
Pick up your stick, ha
Hit me with your best shot I need a drummer boy
Be my little drummer
Pick up your stick, ha
Hit me with your best shot I need a fella good with his hands
Baby, step into my love, I'll show you how to romance
He give it to me, to the beat of the drum
Swing away, and away, ba da pa pa I can't hear it, I wanna hear it
Louder, louder, louder I need a drummer boy
A better drummer boy, hey
Pick up your stick, ha
Hit me with your best shot I need a drummer boy
Be my little drummer
Pick up your stick, ha
Hit me with your best shot I like them strong, simple and dumb
They wanna bang my drum, but it can't be done
They like the way I shake my tambourine
I got a boom and a bing, baby you never seen Turn me on, baby, I'm the boss
Mean what I say, and say what I mean
I can't feel it, I wanna feel it
Harder, harder, harder I need a drummer boy
A better drummer boy, hey
Pick up your stick, ha
Hit me with your best shot I need a drummer boy
Be my little drummer
Pick up your stick, ha
Hit me with your best shot 1, 2, 3, 4
Hey, hey, hey, hey, hey
I can't hear it
Hey, 1, 2, 3, 4
I can't feel it, I wanna feel it
Harder, harder, harder I need a drummer boy
A better drummer boy, hey

Pick up your stick, ha
Hit me with your best shotI need a drummer boy
Be my little drummer
Pick up your stick, ha
Hit me with your best shot
