

I Miss You Already

[Faron Young](#)

Oh, I miss you already and you're not even gone The time has come, you're tellin' me goodbye

And I know I can't keep you if I try

I've had too many chances, now I'll have to set you free

I watch you go, too late, I know, how much you mean to me Yes, I miss you already, don't know how I'll go on

I miss you already and you're not even gone So kiss me once again and please don't cry

And I'll promise, there'll be no more alibis

I'll have to find myself a way to face this loneliness

I watch you go, too late I know, I've lost my happiness
