Didn't We Almost Have It All

Timo RÃ¤isÃ¤nen

Remember when we held on in the rain
The night we almost lost it
Once again we can take the night
Into tomorrow living on feelings
Touching you I feel it all againDidn't we almost have it all
When love was all we had worth giving?
The ride with you was worth the fall my friend
Loving you makes life worth livingDidn't we almost have it all
The nights we held on till the morning
You know you'll never love that way again
Didn't we almost have it allThe way you used to touch me felt so fine
You kept our hearts together down the line
A moment in the soul can last forever
Comfort and keep us
Help me bring the feeling back againDidn't we almost have it all
When love was all we had worth giving?
The ride with you was worth the fall my friend
Loving you makes life worth livingDidn't we almost have it all
The nights we held on till the morning
You know you'll never love that way again
Didn't we almost have it allDidn't we have the best of times
When love was young and new
Couldn't we reach inside and find
Find love of me and you, we'll never lose it again
Because once you know what love is
You'll never let it endDidn't we almost have it all
When love was all we had worth giving?
The ride with you was worth the fall my friend
Loving you makes life worth livingDidn't we almost have it all
The nights we held on till the morning
You know you'll never love that way again
Didn't we almost have it allDidn't we almost have it all
