

# Didn't We Almost Have It All

Timo Räsänen

Remember when we held on in the rain  
The night we almost lost it  
Once again we can take the night  
Into tomorrow living on feelings  
Touching you I feel it all again Didn't we almost have it all  
When love was all we had worth giving?  
The ride with you was worth the fall my friend  
Loving you makes life worth living Didn't we almost have it all  
The nights we held on till the morning  
You know you'll never love that way again  
Didn't we almost have it all The way you used to touch me felt so fine  
You kept our hearts together down the line  
A moment in the soul can last forever  
Comfort and keep us  
Help me bring the feeling back again Didn't we almost have it all  
When love was all we had worth giving?  
The ride with you was worth the fall my friend  
Loving you makes life worth living Didn't we almost have it all  
The nights we held on till the morning  
You know you'll never love that way again  
Didn't we almost have it all Didn't we have the best of times  
When love was young and new  
Couldn't we reach inside and find  
Find love of me and you, we'll never lose it again  
Because once you know what love is  
You'll never let it end Didn't we almost have it all  
When love was all we had worth giving?  
The ride with you was worth the fall my friend  
Loving you makes life worth living Didn't we almost have it all  
The nights we held on till the morning  
You know you'll never love that way again  
Didn't we almost have it all Didn't we almost have it all
