

# Green Light

R Kelly

Who da fuck can stop us niggaz, it's gangsta niggaz  
It's gangsta! Woo! It's gangsta nigga!  
All g-g-gangsta nigga, uhh!  
Green light, go go, go-go-go, go  
Go go, go-go-go, go  
You got the green light to drag your motherfuckin mink  
Green light, go go, go-go-go, go  
Throw your pinkie ring high in the motherfuckin air  
Go go, go-go-go, go  
Drop your top, c'mon!  
Now I done told y'all niggaz once before  
y'all don't know who you fuckin wit  
Y'all gon' fuck around and make me come up out this music biz  
(Don't make me)  
This just a record deal, y'all motherfuckers been on some shit  
Bite my style, tryin to get rich, so I decided to flip my shit  
Bene-fit me like a tight outfit, like Mr. Biggs' about to have a fit  
It's, a, bout, to, be, some, shit  
(Please believe it)  
See vin-dawg, and dre-shal, got a nigga real open y'all  
I see haters peepin me, lookin hard like a pussy  
Same fight, different round, same circus, different clown  
Same pussy, different town, assholes how you like me now?  
Kel' and Jigga, the best of both niggaz  
Put two heads together, mean mo' figures  
(Ha)  
Word to Tigger, put me off up in the "Bassment"  
With the rest of the rap niggaz, watch ratings get bigger  
I'm a pimp of this music, the tracks be my hoes  
Sisqo, don't make me kick you out like Devoe  
Haters left, players right, green light  
Go go, go-go-go, go  
You have the green light to be as pimp as you want to  
Go go, go-go-go, go  
Green light - go go, go-go-go, go  
  
Go go, go-go-go, go  
Green light, go go, go-go-go, go  
Go go, go-go-go, go

Green light, go go, go-go-go, go  
Oh, dis gangsta!  
Go go, go-go-go, go  
It's so muh'fuckin gangsta!  
Psycho, like no, bitch-ass niggaz  
Don't wanna see the R.O.C. so you creep low  
Shoot from the line like a free throw  
With this 'nali of mine like a Pi-co  
Leave niggaz far behind like a cheap hoe  
On my grind every time that you see Hov'  
Yeah I got it, come and get it, green light go  
(Go)  
Red dot I stop ya, yellow niggaz move slow  
Red dot I got 'em, tell that nigga move slow  
Head shots pop 'em when I let the uz' go  
He done told fool  
Dunn think Dunn loc'in when a gun smokin  
Tell Dunn I been gun-totin  
He don't know he facin death  
Hockey mask on Jason's step  
Don't make me pop past your Raisinette  
You niggaz cow-ass  
You bullshit, I pull shit, and keep a full clip  
Go go, go-go-go, go  
Go go, go-go-go, go  
Green light, go go, go-go-go, go  
Go go, go-go-go, go  
Green light, go go, go-go-go, go  
Go go, go-go-go, go  
Green light, go go, go-go-go, go  
Go go, go-go-go, go
