

# Was It a Dream?

## Thirty Seconds to Mars

Your defenses were on high  
Your walls built deep inside  
Yeah, I'm a selfish bastard  
But at least I'm not alone  
My intentions never change  
What I wanted stays the same  
And I know what I should do  
It's time to set myself on fire  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves it  
A photograph of you and I?  
Your reflection I've erased  
Like a thousand burned out yesterdays  
Believe me when I say goodbye forever  
Is for good  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves it  
A photograph of you and I?  
Whoa, yeah! Whoa  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves it  
A photograph of you and I?  
(A photograph of you and I)  
Was it a dream?  
Was it a dream?  
Is this the only evidence that proves it  
A photograph of you and I  
A photograph of you and I  
A photograph of you and I?  
In love
