

Falling Down

Selena Gomez & The Scene

Uh, oh oh, oh

Uh, oh oh, oh

Uh, oh oh, oh

Uh, oh oh, oh

Uh, oh oh, oh You walk and talk

Like you're some new sensation

You move in circles

You don't need an invitation

You spend your money

You can't get no satisfaction

You play it right so you can get the right reaction It won't be long my darling

Pick up the phone, nobody's on it

Where are your friends now baby

Aren't they the ones supposed to be there for You (you)

You're falling down

The world's not spinning 'round

You (you)

When you're falling down

No, it's not all about

You (you)

When you're falling down

You know I'll be around

When you're falling down, falling down Falling down, down, down, you're falling down. What's out of place
when you look into the mirror?

The truth is blurry but the lies are getting clearer

Your eyes are fixed, your smile is so elastic

You gave me roses but they're all just made of plastic It won't be long my darling

Pick up the phone, nobody's on it

Where are your friends now baby

How's anyone supposed to be there for You (you)

When you're falling down

The world's not spinning 'round

You (you)

When you're falling down

No, it's not all about

You (you)

When you're falling down

You know I'll be around

When you're falling down, falling down Smile for the camera, everybody's looking at ya

Smile for the camera, 'cause they're all about to trash ya
Smile for the camera, camera, camera, smile for the camera
Who's gonna catch ya? You, you You (you)
When you're falling down
The world's not spinning 'round
You (you)
When you're falling down
No, it's not all about
You (you)
When you're falling down
You know I'll be around
When you're falling down, falling down Smile for the camera,
Everybody's looking at ya.
Smile for the camera
'Cause they're all about to trash ya.
