

Return of the Phantom Stranger (Chopshop mix)

[Rob Zombie](#)

Shape shifting high and a haunting eye
Falling plastic and paper demons!
No trace of time I'm branded sly
I am you ghost master baby free me! All you know is alone
You see a Phantom Stranger!
All you know is alone
You see a Phantom Stranger! My sinister sounds sweep the grounds
Still born I lie beneath it
I throw it away the freaks all stay
Deformed and laughing screaming! All you know, is alone
You see a Phantom Stranger!
All you know, is alone
You love my Phantom Stranger! A wretched heart in the dark decay, dominate forever
Destroy the things you and see if I remember All you know, is alone
You see a Phantom Stranger!
Down you go, all alone
You love my Phantom Stranger!
