

The Street Parade

Dollar Store

When I was waiting for your phone call
The one that never came
Like a man about to burst
 I was dying of thirst
Though I will never fade
 Or get lost in this daze
Though I will disappear
And join the street parade
 It's not too hard to cry
 In these crying times
I'll take my broken heart
And take it home in parts
 But I will never fade
 Or get lost in this daze
Though I will disappear
And join the street parade
 I was in this place
The first church of the city
 I saw tears on the face
 The face of a visionary
Though I will disappear
To join the street parade
 Disappear and fade
 Into the street parade
