Self Guided Tours

Black Marble

There's only one thing, I'm sorry, do you see what I see?
You're the owner of a lonely heart on a tour of a monastery
Get ahold of your scheme, I'm sorry, do you see what I see?
I'm gonna see you on the kitchen floor asleep, with your hair in the coffeeThere's always a catch, there's always a place to go
Bathtub radiator radio sitting on magazinesWhat are you thinking?
Don't this time
There's always a catch
There's always your pride
Always in good time
There's only two things I'd always change if you asked me
You've got a motor for a mouth and a pack of cigarettes that keep your cardigan lovely
There's only one thing, I'm sorry, better than nothing
You could come over, but it's late at night and there won't be nothing on the TVThere's always a catch, there's always a place to go
Bathtub radiator radio sitting on magazinesWhat are you thinking?
Don't this time
There's always a catch
There's always your pride
Always in good time
There's only one thing, I'm sorry
You're the owner of a lonely heart
There's only one thing, I'm sorry
You're the owner of a lonely heart
There's only one thing, I'm sorry
You're the owner of a lonely heart
