

# I'll Fly For You (Live from the N.E.C.)

## Spandau Ballet

Passion take the wind and break me from this tie  
We're mortals on the earth oh but God's up in the sky  
I haven't got a clue, I haven't got a thing  
But what I give to you is all that I could bring, oh, oh, oh I'll give you all my time, that's everything to me  
You know my only crime is this flight of fantasy, oh, oh, oh Because I've nothing else here for you  
And just because it's easier than the truth  
Oh if there's nothing else that I can do  
I'll fly for you Ooh because I've nothing else here for you  
And just because it's easier than the truth  
Oh if there's nothing else that I can do  
I'll fly for you Passion take the wind and break me from this tie  
We're mortals on the earth ooh but God's up in the sky  
I haven't got a clue, I haven't got a thing  
But what I give to you is all that I could bring, oh, oh, oh Because I've nothing else here for you  
And just because it's easier than the truth  
Oh if there's nothing else that I can do  
I'll fly for you Ooh because I've nothing else here for you  
And just because it's easier than the truth  
Oh if there's nothing else that I can do  
I'll fly for you, I'll fly for you, oh I'll fly I'm just an average boy, you're more than an average girl  
And when you sing to me the 'Sho be doos', you sing so well  
And don't you know that when I'm under you  
I'm overjoyed Because I've nothing else here for you  
And just because it's easier than the truth  
Oh if there's nothing else that I can do  
I'll fly for you Oh because I've nothing else here for you  
And just because it's easier than the truth  
Oh if there's nothing else that I can do  
I'll fly for you, I'll fly for you, I'll fly for you, I'll fly
