Party People

Parliament

We are those party people, we're all about a real good timeOh, a big boogie!We are those party people (we are those party people)
We're all about a good timeWe are those party people, uh-huh
Band starts jumpin'
People start thumpin'
And I'm just pitchin' a fit
We are those party people, uh-huh
People are itchin'
They can't stop twitchin'
Funk's gonna scratch their itch
Ooga-BoogieYabba-dabba-da-da-da-da-da-dee-da-da
Where are all the party people at?
Where have all the party people gone?
Yabba-dabba-da-da-da-da-da-dee-da-da
Da-daWe're all about fun, we're all about having big funWe are those party people
Oh, the band was smokin'
The dancers were strokin'
And I was just pitchin' a fit
We are those party people
Oh, they were itchin'
Music had them twitchin'
Funk's gonna scratch their itch
We are those party people
And we're all about a real good timeOoga-boogie!

It's all about having big fun
It's all about fun
Yabba-dabba-da-da-da-da-da-dee-da-da
Ooga-boogie!We are those party people
Ahh, foot funk y'all
And if you don't believe I'm down
Get down, get up, get on, get off
Turn me loose on the dancefloor
It's all about fun (It's all about having some fun)
It's all about having big fun (It's all about big fun)It's all about fun, it's all about having big funWe are those party people
