I Started a Joke

Kathryn Williams

I started a joke which started the whole world crying
But I didn't see that the joke was on me, oh no
I started to cry which started the whole world laughing
Oh If I'd only seen that the joke was on meI looked at the skies running my hands over my eyes
And I fell out of bed hurting my head from things that I said
Till I finally died which started the whole world living
Oh If I'd only seen that the joke was on meI looked at the skies running my hands over my eyes
And I fell out of bed hurting my head from things that I said
Till I finally died which started the whole world living
Oh If I'd only seen that the joke was on me, oh noTill I finally died
