

# I Started a Joke

[Kathryn Williams](#)

I started a joke which started the whole world crying  
But I didn't see that the joke was on me, oh no  
I started to cry which started the whole world laughing  
Oh If I'd only seen that the joke was on me I looked at the skies running my hands over my eyes  
And I fell out of bed hurting my head from things that I said  
Till I finally died which started the whole world living  
Oh If I'd only seen that the joke was on me I looked at the skies running my hands over my eyes  
And I fell out of bed hurting my head from things that I said  
Till I finally died which started the whole world living  
Oh If I'd only seen that the joke was on me, oh no Till I finally died
