Necrolust

Mayhem

Your stinking corpse I desirenothing can take me higher
Fucking you till your bones break
Another one has to die
Come dripping from my dick
Fucking you to the core
Can't take this anymore
My brain is driving me insane
Necrolusther guts were boiling out of her butt
Eating the flesh of a thousand corpses
Bloodsucking cuntless nuns
Eating her slimey cunt as I hold her tits
Come posercorpse and die again!
