

Gone Crazy

Marcy Playground

Come back and be
Come back for free
Come back and stay, child
Have you gone crazy? Molly, it must be fine
It seems so dreamy to be sublime
And Molly has gone to Spain
Has gone with Venus to watch the rain And it seems that's not
The place where you belong
And it seems that's not
The place where you belong When there's no sun
And there's no moon
And there's no stars, child
Have you gone crazy? Come back and be
Come back for free
Come back and stay, child
Have you gone crazy? Molly, it must be fine
It seems so dreamy to be sublime
And Molly the whippoorwill
Has gone to space boy
She is there still When there's no sun
And there's no moon
And there's no stars, child
Have you gone crazy?
