

# Mirage (Extended Mix) [feat. Luke Mitchell]

## Leeyou & Danceey

### VERSE 1

You were a mirage

Nothin but a hopeless 'thought i saw`

Melting in the sun

Closer i get closer your gonePRE CHORUS

This girl...something like an hour glass time is slippin with the sand and oh oh

This girl...makes you question what you have has it ever been real in love..love..love

Has it ever been real in love..love..love

Has it ever been real in loveDROP

MusicVERSE 2

Faded from the rays

Skin to skin I'm bathing in the warmth

Walking toward the blue

Only to kiss the desert stormPRE CHORUS

This girl...something like an hour glass time is slippin with the sand and oh oh

This girl...makes you question what you have has it ever been real in love..love..love

Has it ever been real in love..love..love

Has it ever been real in loveDROP

MusicBRIDGE

Has it ever been real in love..love..love

Has it ever been real in love..love..love

Has it ever been real in loveDROP
