

# Fatal Design

## Entwine

Here we are  
In this fatal design  
But we'll be as one  
Under the sun  
And we're facing out for hope  
Flaming bombs go down again  
Burning all the life  
Tainting songs of yesterday  
Feeding your desire  
The day will come for you as well  
We know.....And I wish you well  
For those of you who seek the truth  
I know.....And I wish you well  
Lay down your guns  
Lay down your sons  
Then we'll be as one  
Under the sun  
What's the price of life?
