All About Us

Tatu

They say, they don't trust
You, me, we, us
So, we'll fall if we must
'Cause it's you, me and it's all about, it's all aboutIt's all about us, all about us
It's all about, all about us, all about us
There's a theme that they can't touch
'Cause ya know, ah, ahIt's all about us, all about us
It's all about, all about us, all about us
We'll run away if we must
'Cause ya know, ah, ahIt's all about us, it's all about us
It's all about love, it's all about us
In you I can trust, it's all about us
It's all about usIf they hurt you, they hurt me too
So we'll rise up, won't stop
And it's all about
It's all aboutIt's all about us, all about us
It's all about, all about us, all about us
There's a theme that they can't touch
'Cause ya know, ah, ahIt's all about us, all about us
It's all about, all about us, all about us
We'll run away if we must
'Cause ya know, ah, ahIt's all about us, it's all about us
It's all about love, it's all about us
In you I can trust, it's all about us
It's all about usThey don't know, they can't see
Who we are
Fear is the enemy
Hold on tight, hold on to me 'cause tonightIt's all about us
It's all about, all about us
There's a theme that they can't touch
'Cause ya know, ah, ahIt's all about us, all about us
It's all about, all about us, it's all about
There's a theme that they can't touch
'Cause ya know, ah, ahIt's all about us, all about us
It's all about, all about us, all about us
We'll run away if we must
'Cause ya know, ah, ahIt's all about us, it's all about us
It's all about love, it's all about us
In you I can trust, it's all about us

It's all about us, it's all about us
