

Sleigh Ride

Shedaisy

Just hear those sleigh bells jinglin', ring ting tinglin' to
Come on, it's lovely weather for a sleigh ride together with you
The snow is fallin' and friends are callin' "You-who"
Come on, it's lovely weather for a sleigh ride together with you
With you

Giddy-up let's go, let's look at the show
We're ridin' in a wonderland of snow
Giddy-up it's grand, just holdin' your hand
(Just holdin' your hand, just holdin' your hand)
We're gliding along with a song of a wintry fairy land
Our cheeks are rosy and comfy cozy
We're snuggled up together like two birds of a feather will be
Let's take the road before us and sing a chorus or two
Come on, it's lovely weather for a sleigh ride together with you
With you

There's a Christmas party at the home of Farmer Fred
It will be the perfect ending of a perfect day
It'll nearly be like a picture print by Courier and Ives
These wonderful things are the things, we remember all through our lives
These wonderful things are the things, we remember all through our lives

Just hear those sleigh bells jinglin'
(Ring ting tinglin', ring ting tinglin')
Oh, those sleigh bells jinglin'
(Together with you, together with you)
The snow is fallin'
(And friends are calling "You-who")
Come on, it's lovely weather for a sleigh ride together with you
With, with you

Giddy-up let's go, let's look at the show
We're ridin' in a wonderland of snow
Giddy-up it's grand, just holdin' your hand
(Just holdin' your hand, just holdin' your hand)
We're gliding along with a song of a wintry fairy land
Our cheeks are rosy and comfy cozy
We're snuggled up together, like two birds of a feather will be
Let's take the road before us and sing a chorus or two
Come on, it's lovely weather together, together
Yeah, it's lovely weather together, together
Oh, it's lovely weather for a sleigh ride together with you

With, with you
