Hey

Dawn Richard

Verse 1:
I done had too many heartbreaks,
Tryna know love was a waste,
Tired of doing good I want great,
I won't have it any other way.

Guessed this boy saw his face,
Before I let his lips get a taste.
Now I'm throwing all my rules away
I stepped up to him and I had to say
Pre- Chorus:
I said hello, how you doing?
What's your name boy? What's up?
I like your swag it's really nice to meet ya!
Your love made me a believer
A believer
Chorus
I'm like hey, I aint never really felt this way
Boy you got me on fire, please stay
Wanna love you in a real bad way
I'm like hey
Like hey, I aint never really felt this way
Boy you got me on fire, please stay
Wanna love you in a real bad way
I'm like hey,
Say hey (x3) yeah
Verse 2:
My mom said "girl guard your heart"
Don't let a man tear it apart
So when it came to love I gave up
I've been better since my break up
Guessed this boy saw his face,
Before I let his lips get a taste.
Now I'm throwing all my rules away
I stepped up to him and I had to say

Pre- Chorus:
I said hello, how you doing?
What's your name boy? What's up?

I like your swag it's really nice to meet ya (nice to meet ya)
Your love made me a believer
A believer
Chorus:
I'm like hey, I aint never really felt this way
Boy you got me on fire, please stay
Wanna love you in a real bad way
I'm like hey
Like hey, I aint never really felt this way
Boy you got me on fire, please stay
Wanna love you in a real bad way
I'm like hey
Bridge:
Something bout the way you touch me
See babe you turning me on hard
I can't believe it's you that got me really falling
Always told myself to never give my heart in
Now all I see is love, all I really want is you.
So hey, I can see that everything is ok
I aint sad cause you're with me baby
I don't ever want your loving to change
Oh hey baby, oh hey, oh hey, oh hey
Ooooh
Chorus:
I'm like hey, I aint never really felt this way
Boy you got me on fire, please stay
Wanna love you in a real bad way
I'm like hey
Like hey, I aint never really felt this way
Boy you got me on fire, please stay
Wanna love you in a real bad way
I'm like hey
