Let's Go (the B*witched Jig)

B-witched

Ah ohh hey
Ah ohh hey
Hey you sittin in your tree
Mummy always wants you to come for tea
Don't be shy, straighten up your tie
Get down from your tree house sittin' in the sky
I wanna know just what to do
Is it very big is there room for two
I got a house with windows and doors
I'll show you mine if you show me yours
Gotta let me in hey. hey. hey
Let the fun begin
I'm a wolf today hey. hey. hey
I'll huff I'll puff
I'll huff I'll puff blow you away
Say you will say you wont
Say you'll do what I don't
Say your true, say to me c'est la vie
Do you play with girls, play with boys
Do you ever get lonely playin with your toys
We can talk, we can sing
I'll be the queen and you'll be the king
Hey boy in your tree
Throw down your ladder make room for me
I got a house with windows and doors
I'll show you mine if you show me yours
Gotta let me in hey. hey. hey
Let the fun begin
I'm a wolf today hey. hey. hey
I'll huff I'll puff I'll huff and puff and blow you away
Say you will say you wont
Say you'll do what I don't
Say your true, say to c'est la vie
