

# Let's Go (the B\*witched Jig)

## B-witched

Ah ohh hey  
Ah ohh hey  
Hey you sittin in your tree  
Mummy always wants you to come for tea  
Don't be shy, straighten up your tie  
Get down from your tree house sittin' in the sky  
I wanna know just what to do  
Is it very big is there room for two  
I got a house with windows and doors  
I'll show you mine if you show me yours  
Gotta let me in hey. hey. hey  
Let the fun begin  
I'm a wolf today hey. hey. hey  
I'll huff I'll puff  
I'll huff I'll puff blow you away  
Say you will say you wont  
Say you'll do what I don't  
Say your true, say to me c'est la vie  
Do you play with girls, play with boys  
Do you ever get lonely playin with your toys  
We can talk, we can sing  
I'll be the queen and you'll be the king  
Hey boy in your tree  
Throw down your ladder make room for me  
I got a house with windows and doors  
I'll show you mine if you show me yours  
Gotta let me in hey. hey. hey  
Let the fun begin  
I'm a wolf today hey. hey. hey  
I'll huff I'll puff I'll huff and puff and blow you away  
Say you will say you wont  
Say you'll do what I don't  
Say your true, say to c'est la vie
