

# Frey'd Fuckin' Nerve Endingz

## Fishbone

I'm ready to explode from the garbage  
Buildover Cannot wait to hit  
The road and use the hobo angst release commode  
All I wanna do is float on a cloud and scream to the top of my lungs  
Set me free God, do it now  
Do it now if you know how  
If I help myself I know you'll do the rest, this is only a test  
Remove me mucho from this society slime  
Release my headache migraine  
Replace the pain with sugarcane  
My head is on fire and so are my feet  
I can't fucking think from the needles and pins  
That stick in my skin Oh No  
Frey'd fucking nerve endings  
Don't yell at me bitch or make me feel small  
I'm hanging by a thread, and that's not all  
I'll bite off your head  
Frey'd fucking nerve endings  
More badder than that  
More madder than hatter  
More eager than beaver  
More Doccer than Sevrenson  
More cocker than spaniel  
More porky than pine  
More jolly than roger  
More hodger than podge  
Frey'd fucking nerve endings  
I'm about to explode from the garbage  
Buildover Cannot wait to hit  
The road and use the hobo angst release commode  
All I wanna do is float on a cloud and scream to the top of my lungs  
Set me free God, do it now,  
Do it now if you know how  
If I help myself I know you'll do the rest, this is only a test  
Remove me mucho from this society slime  
Release my headache migraine  
Replace the pain with sugarcane  
My close friends went crazy and I think that I'm next

My mom wants to talk to me about going to the Hall and to church  
I love you Go, but my head really hurts  
Frey'd fucking nerve endings  
The F.B.I. is looking for my friend  
I got love for my homie,  
I don't wanna see him taken in  
Yes, my childhood friend  
--la-dee-da part--  
Sometimes I get  
A little short of breath  
Then my eyelid jiggles  
Followed by a short pain in my chest  
Wondering what comes next  
--la-dee-da part--  
My head is on fire and so are my feet  
I can't fucking think  
Rom the needles and pins  
That stick in my skin Oh no  
Frey'd fucking nerve endings  
Don't yell at me bitch or make me feel small  
I'm hanging by a thread  
And that's not all  
I'll bite off your head  
Frey'd fucking nerve endings  
More Bugs than Bunny  
More Daffy than duck  
More Porky than Pig  
More Puddy than Tat  
More silly than him  
More silly than them  
More silly than that  
More Kinger than Kong  
Frey'd fucking nerve endings
