

# Summer Song

## Verse Simmonds

It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
Take the long way  
Under the sun to our cool summer song  
Sun is rising and the day is here  
We'll celebrate so don't be late, the time is near  
Grab your friends and like a rocket we're there  
To where the party charges up every year  
Where we laugh forever  
Taste the perfect weather, everyone together  
Pack your bags for the memories we make  
So let's jet out today  
It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
Take the long way  
Under the sun to our cool summer song  
Cruising underneath a cloudless sky  
When we feel the sand, we know we've arrived  
Everyday and every wave's a sweet ride  
We will take out time until the tide says goodbye  
We will all remember  
These days are just like heaven in our minds we fly there  
Pack your bags for the memories we make  
So let's jet out today

It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
Take the long way  
Under the sun to our cool summer song  
Cool summer song  
Good times we love  
Like heaven forever  
The purest perfection  
It's a cool break, you know I can't wait  
It's a cool break, we're hearing the radio playing  
It's a cool break, I can't wait  
Take the long way to our cool summer song  
It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing

Take the long way  
Under the sun to our cool summer song  
It's a cool break, you know I can't wait  
Everyday's like a Sunday and we're hearing the radio playing  
Take the long way  
Under the sun to our cool summer song  
It's a cool break, it's a cool break
