

# False Knight On the Road

## Fleet Foxes

Advisory - the following lyrics contain explicit language:

Where you go so late said the knight on the road  
I'm going to meet my god said the child as he stood  
And he stood and he stood and it was well that he stood  
I'm going to meet my god said the child as he stood How will you go by land said the knight on the road  
With a strong staff in my hand said the child as he stood  
And he stood and he stood and it was well that he stood  
With a strong staff in my hand said the child as he stood Oh oh oh oh... How will you go by sea said the knight  
on the road  
With a good boat underneath said the child as he stood  
And he stood and he stood and it was well that he stood  
With a good boat underneath said the child as he stood I think I hear a bell said the knight on the road  
It's ringing you to hell said the child as he stood  
And he stood and he stood and it was well that he stood  
It's ringing you to hell said the child as he stood Where you go so late said the knight on the road  
I'm going to meet my god said the child as he stood  
And he stood and he stood and it was well that he stood  
I'm going to meet my god said the child as he stood Oh oh oh oh...
