

Adore (Seiho & ehiorobo)

Prince

Baby, yes
Until the end of time
I'll be there for you
You own my heart and mind
I truly adore you
If God one day stroke me blind
Your beauty I'd still see
Love is to weak to define
Just what you mean to meFrom the first moment I saw you
Oh, I knew you where the one
That night I had to call you
I was rapping till the sun came up
Telling you just how fine you look
In a word, you were sex
All of my cool attitude you took
My body was next
You made love to me
Like you where afraid
Was you afraid of me?
Was I the first?
Was I your every fantasy?
That's whyUntil the end of time
I'll be there for you
You own my heart and mind
I truly adore you
If God one day stroke me blind
Your beauty I'd still see
Love is to weak to define
Just what you mean to meWhen we be making love
I only hear the sounds
Heavenly angels crying up above
Tears of joy pouring down on us
They know we need each other
They know you are my fix
I know, that you know that I ain't cheating baby
They know this is serious
I ain't funkng just for kicks, no
This condition I got is crucial, crucial baby
You could say that I'm a terminal case

You could burn up my clothes
Smash up my ride, well maybe not the ride
But I got to have your face
All up in the place
I'd like to think that I'm a man of exquisite taste
A hundred percent Italian silk imported Egyptian lace
But nothing baby, I said nothing baby could compare
To your lovely face
Do you know what I'm saying to ya this evening
I'm just trying to say
I'm just trying to say
That until, until the end of time
I'll be there for you
I'll be there for you
On my heart, on my mind, (truly adore you)
I truly adore you (darling)
You don't know what you're mean to me
Baby, (until the end of time)
Baby, (I'll be there for you)
Baby, (you own my heart and mind)
'Till the end of time I'll be there for you (I truly adore you)
Adore you (Adore you) Can I talk to you?
Tell you what you mean to me
Every time you wander (until the end of time)
I'll be your eyes so you can see
I want to show you things
That I show no other, I want to be
More than, more than your mother
More than your brother
I want to be (like no) like no other
If you need me, I'll never leave
I know, that you know, without you there is no me
There is no me
Without you there is no sea
There is no shore
Love is too weak to define how much I adore
You, child
You, child
The last words you hear
The last words you hear (Until the end of time)
I'll be there for you, baby
(Until the end of time) Be with me darling till the end of time (until the end of time)
I'll give you my heart
I'll give you my mind
I'll give you my body (until the end of time)

I'll give you my time (until the end of time)

(Until the end of time)

(Until the end of time)

For all time I am with you

You are with me (until the end of time)

You are with me, you are with me
