

# Wrong Man

## Deep Purple

I wasn't in the room  
When the action was goin' down  
I may have been there once  
But at the time I was out of town I'm seeing strange fruit  
They're saying, "Off with his head"  
And one way or another  
I'll end up dead You got the wrong man  
You don't understand  
You got the wrong man  
You got the wrong man  
I'll do what I can I plead not guilty to the charges  
You've laid out on your desk  
I know what you're thinking  
"Oh yeah, this is a DSF" I think I'm Prime Ministerial material  
But I can't lie to you  
So I'm out of the running  
But from here in my cell I imagine  
"Oh, wouldn't that be something?" You got the wrong man  
You don't understand  
You got the wrong man  
You got the wrong man  
I'll do what I can Can you hear me up there?  
Can you hear me up there? You got the wrong man  
You don't understand  
You got the wrong man  
You got the wrong man  
I do what I can You got the wrong man  
You got the wrong man  
You got the wrong guy  
You got the wrong man  
You got the wrong man  
You got the wrong man
