

Flaming

Pink Floyd

Alone in the clouds all blue
Lying on an eiderdown
Yippee
You can't see me
But I can you Lazing in the foggy dew
Sitting on a unicorn
No fair, you can't hear me
But I can you Watching buttercups cup the light
Sleeping on a dandelion
Too much, I won't touch you
But then I might Screaming through the starlit sky
Travelling by telephone
Hey ho, here we go
Ever so high Alone in the clouds all blue
Lying on an eiderdown
Yippee
You can't see me
But I can you
