Real Love

Jody Watley

I said I would get over you
Now I'm here out on my own
Trying to live my life
And now you wanna come back
But I don't need no brand new lies, listen up

I want a love that's serious
No time to play love games
I don't wanna be nobody's fool
So if you wanna be with me
You gotta give it up

Real love
I know I wanna have one
Real love
Gonna try and get some

Real love
Everybody needs one
Real love
Got to have real love

All my friends are telling me
I should give you another try
But I don't need opinions
To deal with what I have on my mind, listen up

I want a love that's serious
No time to play love games
I don't wanna be nobody's fool
So if you wanna be with me
You gotta give it up

Real love
I know I wanna have one
Real love
Gonna try and get some

Real love
Everybody needs one

Real love
Got to have real love

Real love

Oh, oh, ah
Oh, oh, ah
Oh, oh, ah (Oh, yeah)
Oh, oh, ah

Oh, oh, ah
Oh, oh, ah
Oh, oh, ah (Give it up)
Oh, oh, ah

Real love
I know I wanna have one
Real love
Gonna try and get some

Real love
Everybody needs one
Real love
Got to have real love

Real love
I know I wanna have one
Real love
Gonna try and get some

Real love
Everybody needs one
Real love
Got to have real love

Real love

Ow, ow, ow

Real love
I know I wanna have one
Real love
Gonna try and get some

Real love
Everybody needs one

Real love
Got to have real love

Real love
Real love (Huh...uh...uh...)
Real love (I don't need opinions)
(Don't need your advice)

(Real love)
(Got to give real love)
Real love
