One More Time

Roy Orbison

Tell me one more time, with your hand in mine, that you love me like you used to do
Tell me one more time, that you want me one more time, break my heart in twoTell me one more time, with your hand in mine, that you need a love so sweet and true
Tell me one more lie, I'll cry you one more cry, tell me that you love me one more timeOne more time, tell me that you care, one more time, honey I'll be thereTell me just once more, like you did before, that you need a love so sweet and true
Tell me one more lie, I'll cry you one more cry, tell me that you love me one more time
