

To Know Him Is to Love Him

Die Geschwister Pfister

To know know know her
Is to love love love her
Just to see her smile
Makes my life worthwhile
Yes, just to know know know her
Is to love love love her
And I do
(And I do and I)
And I do
(And I do and I)
And I do
(And I do and I da da da, da da da)
I'll be good to her
I'll make love to her
Everyone says there'll come a day
When I'll walk alongside of her
Yes, just to know know know her
Is to love love love her
And I do
(And I do and I)
And I do
(And I do and I)
(And I do and I, and I do and I)
Why can't she see?
How blind can she be?
Someday she'll see
That she was meant just for me, oh oh yeah
To know know know her
Is to love love love her
Just to see her smile
Makes my life worthwhile
Yes, just to know know know her
Is to love love love her
And I do
(And I do and I, and I do and I)
(And I do and I, and I do and I)
Why can't she see?
How blind can she be?
Someday she'll see

That she was meant just for me, oh oh yeah

To know know know her

Is to love love love her

Just to see her smile

Makes my life worthwhile

Yes, just to know know know her

Is to love love love her

And I do

(And I do and I)

And I do, and I do, and I do

(And I do and I do)
