

# Montana (Whipping Floss)

Frank Zappa

I might be movin' to Montana soon  
Just to raise me up a crop of  
Dental Floss Raisin' it up  
Waxen it down  
In a little white box  
I can sell uptown By myself I wouldn't  
Have no boss,  
But I'd be raisin' my lonely  
Dental Floss Raisin' my lonely  
Dental Floss Well I just might grow me some bees  
But I'd leave the sweet stuff  
For somebody else...but then, on the other hand I'd Keep the wax  
N' melt it down  
Pluck some Floss  
N' swish it aroun I'd have me a crop  
An' it'd be on top (that's why I'M movin' to Montana) Movin' to Montana soon  
Gonna be a Dental Floss tycoon (yes I am)  
Movin' to Montana soon  
Gonna be a mennil-toss flykune I'm pluckin' the ol'  
Dennil Floss  
That's growin' on the prairie  
Pluckin' the floss!  
I plucked all day an' all nite an' all  
Afternoon...I'm ridin' a small tiny hoss  
(His name is MIGHTY LITTLE)  
He's a good hoss  
Even though  
He's a bit dinky to strap a big saddle or  
Blanket on anyway  
He's a bit dinky to strap a big saddle or  
Blanket on anyway  
Any way I'm pluckin' the ol'  
Dennil Floss  
Even if you think it is a little silly, folks  
I don't care if you think it's silly, folks  
I don't care if you think it's silly, folks I'm gonna find me a horse  
Just about this big  
An' ride him all along the border line With a  
Pair of heavy-duty

Zircon-encrusted tweezers in my hand  
Every other wrangler would say  
I was mighty grand  
By myself I wouldn't  
Have no boss  
But I'd be raisin' my lonely  
Dental Floss  
Raisin' my lonely  
Dental Floss  
Well I might  
Ride along the border  
With my tweezers gleamin'  
In the moon-lighty night  
And then I'd  
Get a cuppa cawfee  
N' give my foot a push...  
Just me 'n the pymgy pony  
Over the Dennil Floss Bush  
N' then I might just  
Jumb back on  
An' ride  
Like a cowboy  
Into the dawn to Montana  
Movin' to Montana soon  
(Yippy-Ty-O-Ty-Ay)  
Movin' to Montana soon
