Jamie Foxx

I know you see me lookin' at you  
And I know he know you lookin' at me  
Well, damnDJ won't you play this girl a love song  
She really needs to hear this freakin' love song  
She's lookin' at me kinda hard, I can tell that things ain't right on the home front  
What she really needs is a G like me to Beat a beat, beat it, beat itI can see how you want it baby  
Wish ya man wasn't here with ya baby  
I can see (ha) curiosity (ha ha)  
Gotcha wanna try me (ha ha)
