The Green Manalishi

Peter Green

Written by peter green.Now, when the day goes to sleep and the full moon looks
The night is so black that the darkness cooks
Don't you come creepin' around - makin' me do things I don't want toCan't believe that you need my love so bad
Come sneakin' around tryin' to drive me mad
Bustin' in on my dreams - making me see things I don't wanna seeBreak:
