

# The Green Manalishi

## Peter Green

Written by peter green.Now, when the day goes to sleep and the full moon looks

The night is so black that the darkness cooks

Don't you come creepin' around - makin' me do things I don't want toCan't believe that you need my love so  
bad

Come sneakin' around tryin' to drive me mad

Bustin' in on my dreams - making me see things I don't wanna seeBreak:
