Death Don't Have No Mercy

Motu

You know death don't have no mercy in this land
Death don't, ow, have no mercy in this land, in this land
Come to your house, you know, he don't take long
You look in the bed this mornin', children find that your mother's gone
I said, "Death don't have no mercy in this land"
Death will leave you standin' and cryin' in this land
Death will leave you, ah, standin' and cryin' in this land, in this land, yeah
Whoa, come to your house, you know, don't stay long
You look in the bed this mornin'
Children find that your brothers and sisters are gone
I said, "Death don't have no mercy in this land"
Death will go in any family in this land
Death will go in any family in this land, in this land
Come to your house, you know, he don't take long, woah
You look in the bed on the mornin', children find that your family's gone
I said, "Death don't, oh, have no mercy, no mercy in this land"
Death will leave you standin' and cryin' in this land
Death will leave you standin' and cryin' in this land, in this land
Whoa, come to your house
You know, it don't take long, you look in bed this mornin'
Children find that your brothers and sisters are gone
I said, "Death don't, death don't have no mercy in this, in this land"
