Miss Myrtle

Albert Hammond, Jr.

I said you see, you see all around but you dont
Wanna go down, youre afraid
Afraid of the moves that you make
Cause theyre so quick to judgeYou go back, you said you have to go back, you go away
You couldnt be late but it's down
It's down from the hill, you wont have any thrill
You wont fill it up with some kind of spaceYou have to go down, now youre gone
Tomorrow is long overdue
Ive been thinking of you
And lights go out, I know it's you, ohIm just like you easily confused
And Im lost by the youths, buried with truth
Smile and decide, somethings we hide
But I can't forget them all, Im five foot ten inches tallYou know you had
You had what you do but you can't
Control what they use, it's a shame
We all seem to be who to blameBut I wont ask it again
You had me when but I wont
Never a wonder I can
Never a wonder I can, ohIm just like you easily confused
And Im lost by the youths, buried with truth
Smile and decide, somethings you hide
But I can't forget them all, can't forget it all
