Temptation

Heaven 17

I've never been closer
I've tried to understand
That certain feeling
Carved by another's handBut it's too late to hesitate
We can't keep on livin' like this
Leave no track
Don't look backAll I desire
Temptation
Keep climbin' higher and higher
TemptationAdorable creatures
Temptation
With unacceptable features
TemptationTrouble is coming
Temptation
It's just the high cost of loving
TemptationYou can take it or leave it
Temptation
But you'd better believe itYou've got to make me an offer
That cannot be ignored
So let's head for home now
Everything I have is yoursStep by step and day by day
Every second counts, I can't break away
Leave no trace
Hide your faceAll I desire
Temptation
Keep climbin' higher and higher
TemptationYou can take it or leave it
Temptation
But you'd better believe itStep by step and day by day
Every second counts, I can't break away
Keep us from temptation
Keep us from temptation
Keep us from temptation
Lead us not into temptationTrying to find it
Temptation
You've got to get up behind it
TemptationPut your dime in the hot slot
Temptation
But it's a million to one shot

TemptationYou think that you're right no
Temptation
You're going to fake it tonight now
TemptationGive me a breakdown
Temptation
Because it's time for a shakedown
TemptationTemptation
Temptation
Temptation
TemptationTemptation
Temptation
Temptation
It's just a temptationTemptation
Temptation
Temptation
