

Temptation

Heaven 17

I've never been closer
I've tried to understand
That certain feeling
Carved by another's hand But it's too late to hesitate
We can't keep on livin' like this
Leave no track
Don't look back All I desire
Temptation
Keep climbin' higher and higher
Temptation Adorable creatures
Temptation
With unacceptable features
Temptation Trouble is coming
Temptation
It's just the high cost of loving
Temptation You can take it or leave it
Temptation
But you'd better believe it You've got to make me an offer
That cannot be ignored
So let's head for home now
Everything I have is yours Step by step and day by day
Every second counts, I can't break away
Leave no trace
Hide your face All I desire
Temptation
Keep climbin' higher and higher
Temptation You can take it or leave it
Temptation
But you'd better believe it Step by step and day by day
Every second counts, I can't break away
Keep us from temptation
Keep us from temptation
Keep us from temptation
Lead us not into temptation Trying to find it
Temptation
You've got to get up behind it
Temptation Put your dime in the hot slot
Temptation
But it's a million to one shot

Temptation You think that you're right no

Temptation

You're going to fake it tonight now

Temptation Give me a breakdown

Temptation

Because it's time for a shakedown

Temptation Temptation

Temptation

Temptation

Temptation Temptation

Temptation

Temptation

It's just a temptation Temptation

Temptation

Temptation
