

Real Love

Lee Ryan

Some people find it hard to see
But every time you look at me
No doubt about it
You and me we've got Real love, can't stop it now
Real love, can't hold it down
Real love, if I needed to
I'd give it all up for
Real love, don't ask for more
Real love, I'm living for
Real love aha
And if you feel love
Put your hands together like this ya The way that I feel about you girl
I wouldn't trade it
For all of the money in the world
Cause I can feel it
You and me we got Real love, can't stop it now
Real love, can't hold it down
Real love, if I needed to
I'd give it all up for
Real love, don't ask for more
Real love, I'm living for
Real love aha
And if you feel love
Put your hands together like this ya When I wake up in the morning
And feel you next to me
I know I'm blessed from above
Cause its all so clear to see
That I've got real love Real love, can't stop it now
Real love, can't hold it down
Real love, if I needed to
I'd give it all up for
Real love, don't ask for more
Real love, I'm living for
Real love aha
And if you feel love
Put your hands together like this ya The love I've got for my people
The love I've got for my family
The love I've got for my music
The love I've got for you

This is real love
