Within

William Joseph

Cry without tears

See without sight

Night without day

And every day's black as the night

Fly without wings

Feel without touch

Touch without feel

And everywhere nothing is real

I wanna see from within

I wanna be where I've been

I wanna truth not a lie

I wanna live 'fore I die

Life without death

World without F

Sleep without dreams

And nothing is quite what it seems

I want something more than you'll know

Follow myself and go where you can never go

And I see though my eyes are closed

I wanna see from within

(Cry without tears, see without sight)

I wanna be where Ive been

(Night without day, and everywhere nothing is real)

I want a truth not a lie

I wanna live 'fore I die

(Touch without feel and everywhere nothing is real)

Inside you without your blessing

Inside me is me confessing

Outside you is outside me

And inside there is no guarantee, no

I wanna see from within

I wanna be where I've been

I wanna truth not a lie

I wanna live 'fore I die

I wanna see from within

(Life without death, world without F)

I wanna be where I've been

(Sleep without dreams, and nothing is quite what it seems)

I wanna truth not a lie

I wanna live 'fore I die
(I want something more than you'll know)
(Follow myself and go where you can never go)
Cry without tears
Night without day
