

See You (feat. Richard Caddock)

WRLD

And I've got all the time it seems
I'd rather see you in my dreams
And every chance to dance

I'll take If I can't see you againAnd I've got all the time it seems

I'd rather see you in my dreams
And every chance to dance I'll take

If I can't see you againWe could be listening for answer
Or waiting to be set free

You came across this moment

And I'm so thankful you've shared it with meTake it from me

We live to be free

And take it from me

I want you to seeAnd I've got all the time it seems
I'd rather see you in my dreams

And every chance to dance I'll take

If I can't see you againWe could be listening for answer (we could be listening) Or waiting to be set free (or
waiting to be set free)

You came across this moment

And I'm so thankful you've shared it with meWe could be listening for answer

Or waiting to be set free

You came across this moment

And I'm so thankful you've shared it with me
