

Wake Up Make a Move

Lostprophets

So are we lost or do we know
Which direction we should go
Sit around and wait for someone
To take our hands and lead the way

'Cause every day we're getting older
And every day we all get colder
We're sick of waiting for our answers

Wake up, wake up, wake up
Yeah so tired of waiting, waiting for us to
Wake up, wake up, wake up
Yeah so sick of waiting, for us to make a move

Are we meant to take the pain
Should we sit around and wait
Are we being saved
Or was I another lie you made to make us hate

'Cause every day we're getting older
And every day we all get colder
We're sick of waiting for our answers

Wake up, wake up, wake up
Yeah so tired of waiting, waiting for us to
Wake up, wake up, wake up
Yeah so sick of waiting, for us to make a move

Wake up, wake up, wake up
And we will never lose
Wake up, wake up, wake up
It's time to make a move
Wake up, wake up, wake up
And we will never lose
Wake up, wake up, wake up
It's time to make a...move!

It's not enough
To let it run
Where's the truth

It's all wrong

So sick of waiting for our answers...

Wake up, wake up, wake up

Yeah I'm so tired of waiting, waiting for us to

Wake up, wake up, wake up

Yeah I'm so sick of waiting, for us to make a move

Wake up, wake up, wake up

And we will never lose

Wake up, wake up, wake up

It's time to make a move

Wake up, wake up, wake up

And we will never lose

Wake up, wake up, wake up

Make a move (move, move, move, move)
