

# Skin

Sade

When I found out this love's undone  
I was like a gun  
Sure as it was over  
Felt like nothing good could come  
Sure as it's gonna play and play  
Like Michael back in the day  
I'm gonna peel you away  
Now as I begin  
To wash you off my skin  
I'm gonna peel you away  
'Cause you're not right within  
I love you so  
Sometimes love has to let go  
So this time don't think it's a lie  
If I say goodbye  
Now as I begin  
To wash you off my skin  
I'm gonna peel you away  
'Cause you're not right within  
Now it's time  
To wash you off my skin  
Now as I begin, it couldn't be right  
'Cause you're not right within  
If I say goodbye
