## Ace of Base

Tokyo girl  
You're my life  
You're my friend  
I see it rightTokyo girl, Tokyo girl  
You've got the moves to rule the world  
That cute inscrutability  
Tokyo girl, you're a mysteryTokyo girl, Tokyo girl  
Shaking up hearts around the world  
You can't forget that stunning face  
Smiling at you, it's your destinyShe's got the face sweet as a baby  
Elegant taste and money to burn  
Her "Yes" is "No", "No" is a "Maybe"  
Her language is so hard to learnTokyo girl, Tokyo girl  
You've got the moves to rule the world  
That cute inscrutability  
Tokyo girl, you're a mysteryIn TokyoThough there's a fire burns inside here  
Outside is ivory, silk and ice  
Nothing she wants is denied her  
You'd better take my adviceMany has tried to get near her  
Deep in the heart of Tokyo  
Found nothing there but a mirror  
She's no one, you'll ever knowTokyo girl, Tokyo girl  
You've got the moves to rule the world  
That cute inscrutability  
Tokyo girl, you're a mysteryIn TokyoShe's got the face, sweet as a baby  
Elegant taste and money to burn  
Her "Yes" is "No", "No" is a "Maybe"  
Her language is so hard to learnTokyo girl, Tokyo girl  
You've got the moves to rule the world  
That cute inscrutability  
Tokyo girl, you're a mysteryTokyo girl, Tokyo girl  
Shaking up hearts around the world  
You can't forget that stunning face  
Smiling at you, it's your destinyIn Tokyo, sweet as a baby  
In Tokyo, sweet as a baby  
In Tokyo, sweet as a baby  
Sweet as a baby  
Sweet as a baby  
Sweet as a baby
