The Little Things (Kasbo remix)

Big Gigantic

I could feel it coming back
I didn't know, was I built to last
I've come so far so fast
And it feels like a hundred years
Am I dreaming? Is it gonna last?I could be better still
Than anything I've done
I know you think you could do, too
I know you think you feel it's true
It's the little things in life that I feelCause I can feel it
Cause I can feel it
Cause I can feel it
It's the little things in life that I feelCause I can feel it
Cause I can feel it
Cause I can feel itI could be better still
Than anything I've done
I know ya think you could do, too
I know ya think you feel it's true
It's the little things in life that I feelCause I can feel it
Cause I can feel it
Cause I can feel itCause I can feel it
Cause I can feel it
Cause I can feel it
Cause I can feel it
