

Random Analysis

Devin Townsend

Analyze the compromise
Career is why I think or say the things I do
Relationship in honesty, so here's a little story for you;
Met a girl, I met a girl at random,
Random is as random does
Justify don't ask me why...why?
Just because.
I'm acting like a day old male
Day old female
Saturday, another day, and life's a little give and take
Take and give
I'm staying home, I'm sorry boys I'm a little sensitive
But still you're saying;
'Faggot is as faggot does with every little faggot thing a faggot do'
I'm not insane, I'm not insane...I'm just smarter than you.
You're acting like a day old male
Day old female
Analyze, Compromise.
WHY???
But I'm loving
...And insecure
...And just a little bit violent
But I know for sure,
I'm here for your entertainment
I'm here, for your unbridled entertainment
So lets go.
Far away, in Fantasy
Don't get me wrong I like it too and feel it too
But understand that man or woman, I don't want to sleep with you.
'Cause power is as power does
With every little power trip we pull because;
It's all inside our selfish pride wanting the control of it all
(controlling it all! CONTROL EMOTION!!!)
Day old male
Day old female;
Analyze.
Compromise. (compromise baby...)
WHY???
