Toxic

A Static Lullaby

Baby, can't you see? I'm calling
A girl like you should wear a warning
It's dangerous, I'm fallingThere's no escape, I can't wait
I need a hit, baby, give me it
You're dangerous, I'm loving itToo high, can't come down
Losing my head
Spinning 'round and 'round
Do you feel me now?With the taste of your lips I'm on a ride
You're toxic, I'm slipping under
With the taste of your poison paradiseI'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic?It's getting late to give you up
I took a sip from my devil's cup
Slowly, it's taking over meToo high, can't come down
It's in the air and it's all around
Can you feel me now?With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of your poison paradiseI'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic?With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of your poison paradiseI'm addicted to you
Don't you know that you're toxic?With the taste of your lips I'm on a ride
You're toxic I'm slipping under
With the taste of the poison paradiseI'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic?
